RE: Talia Zucker – CHILD

TO WHOM IT MAY CONCERN:

This is to introduce Talia Zucker who is participating as a member of the AFI Directing Workshop for Women (DWW) to direct a narrative project, CHILD. Talia will be a participant in the DWW until May 1, 2019.

AFI, a national institute providing leadership in screen education and the recognition and celebration of excellence in the art of film, television and digital media, established the Directing Workshop for Women in 1974. The Workshop is designed to provide talented women who have established themselves within film, television and theatre with the opportunity to direct narrative projects. Since its inception, such talented women as Lesli Linka Glatter, Jennifer Getzinger, Randa Haines, and Maya Angelou have directed Workshop projects.

The DWW is supported by private contributions and grants. Contributions of goods and services are critical to the success of Workshop projects.

AFI holds the copyright to and provides insurance for this not-for-profit videotape production of the institute. Any cooperation and assistance you can provide this filmmaker is greatly appreciated. Should you desire any further information, please don't hesitate to contact our office at (323) 856-7722. Many thanks for your consideration of this request.

Sincerely,

Lauren Ludwig
Director, Directing Workshop for Women
